

# Eastern European startups to meet 80 investors at Eastern Europe Tech Tour 2018 (apply by April 20)

*Ukraine Digital News*

Startups from Ukraine, Poland, Belarus, Czech Republic, Hungary, Slovakia, Bulgaria, Albania, Bosnia and Herzegovina, Croatia, Greece, Romania, Serbia, Slovenia, Macedonia (FYROM), Moldova and Montenegro are invited to participate for free in the [Eastern Europe Tech Tour 2018](#) (EETT).

The tour will take place on June 11-12 in Warsaw, Poland and on June 12-13 in Sofia, Bulgaria. Startups are requested to **apply [here](#) until April 20.**

In total, 30 Series A tech startups will be selected out of 200 companies to meet 80 international and local investors and key industry players. To qualify for the selection, the startups need to have a unique technology, strong business model, business vision, capability to deliver the goals stated by their business plan, as well as strong management team.

The main goal of the tour is to introduce entrepreneurs from the region, which has generated \$5 billion in liquidity back to investors in the past few years, to investors and pave the way for a full journey of innovation, from initial concept all the way through to valuation.

EETT 2018 is led by:

- Alexander Galitsky, EETT President and co-founder and managing partner of Almaz Capital;
- Marcin Hejka, Head of the EETT [Selection Committee](#) for the Central Eastern Europe and co-founder and founding partner at OTBVentures;
- Evgeny Angelov, Head of Selection Committee for the Southern Eastern Europe and chairman of BVCA and partner of PostScriptum Ventures.

The Tour is a good opportunity for entrepreneurs to present their businesses to venture investors and spend several days with them as a team, taking part in interactive sessions, dinners and special events.

The official language is English.

To attend the tour as a delegate, please register [here](#). All the UADN readers benefit from a 20% discount: use the promocode EETT20 while registering.

All media representatives can attend free of charge. For registration via email, please contact [hhrstov@techtour.com](mailto:hhrstov@techtour.com) or [Irina@almazcapital.com](mailto:Irina@almazcapital.com) by June 11 2018 for Warsaw and by June 12 for Sofia. Partnership packages are also available.

The EETT 2018 is organised by [Tech Tour](#), with initial support from [Almaz Capital](#) and the [Bulgarian Private Equity and Venture Capital Association \(BVBA\)](#).

## About

Ukraine Digital News (UADN) is the first English language international information platform dedicated to the Ukrainian digital and IT industries. As a free resource, it provides news, market data, business analysis and updates pertaining to the Internet, e-commerce, IT services, software development, hardware and other innovation in the country as well as to related investment activity and the legal environment. UADN also conducts or participates in research activities that provide local and international audiences with in-depth analysis and quality data on these industries.
