The Alpine High-tech Venture Forum 2018 supports the innovation in 5 countries of the region

For 7th time the event in Lausanne will present the best local companies in ICT, Life Sciences and Clean Technology sectors

The 7th edition of the Alpine High-Tech Venture Forum (AHVF) (<https://www.techtour.com/events/2018/10/alpine-high-tech-venture-forum-2018.html?pagelId=2324178>), organized by Tech Tour (<https://www.techtour.com/>) and traditionally hosted by Canton de Vaud, will return to Lausanne on 22-23 October 2018.

50 Swiss and International investors, 40 presenting companies and more than 120 attendees are expected to take part in the popular business event. It will take place at Starling Hotel Lausanne.

Alpine High-Tech Venture Forum is a unique occasion for entrepreneurs in ICT, Life Sciences and Cleantech sectors from Switzerland and the Alpine region to meet and present themselves to active international investors and corporations seeking investment and partnerships. AHVF is an important platform to promote a dynamic and professional image of innovative entrepreneurship and venture capital of the region.
