CALL FOR APPLICATIONS: ALPINE HIGH-TECH VENTURE FORUM 2018, 22-23 OCTOBER, LAUSANNE

As partner of the event, Alp ICT is pleased to **invite you to apply for a presentation slot** at the **Alpine High-tech Venture Forum 2018** by **Tech Tour**:

Alpine High-tech Venture Forum 2018

22-23 October 2018, Lausanne

Venture Academy – 22 October, Aquatis Hotel & Congress Center

Presenting sessions – 23 October, Starling Hotel

150 attendees – +50 Swiss and International investors – 40 presenting companies – plenty of networking opportunities – discussion panels

The Alpine High-tech Venture Forum 2018 (AHVF) is an important platform to promote the dynamic entrepreneurial ecosystem of the Alpine region and will bring together **leading actors from Life Sciences, Clean Technology and Information Technology sectors** from Canton de Vaud, Switzerland and surrounding regions (Rhône Alpes, Franche Comté, Alsace, Baden Würtemberg, Bayern, Tirol, Aosta, Piemonte, Lombardia, Trentino Alto Adige/Süd Tirol).

Participation is free of charge for presenting companies, but

expert jury or investors and receive feedback on their presentations. **The top 25% of presenters will be announced and have the opportunity to present at the European Venture Contest Final 2018**, held 11-12 December in Dusseldorf, Germany.

The deadline for applications is 7 September 2018. Companies selected to present will be notified by the end of September. Please refer to the application instructions for more information.

Register before 7 September following these simple steps:

- Register directly on [AHVF website](#). Click on the register button and check the **application instructions** for more information.
- Complete your online profile
- Upload your latest corporate presentation or pitch deck

BECOME THE NEXT EUROPEAN UNICORN!

We hope to see you in Lausanne!
