Alpine High-tech Venture Forum 2018

23.10.2018 08:30

The Alpine High-tech Venture Forum (AHVF) will be a unique event for the most innovative entrepreneurs operating in Switzerland and its surrounding regions focused on Life Sciences, Clean Technology and Information Technology to meet and present themselves to active international investors and corporations seeking for investment and partnerships.

AHVF is hosted by Canton de Vaud and CleantechAlps and will be this year in its seventh edition. It plays an important role in the promotion of the dynamic and innovative professional entrepreneurs within the Alpine area. It also promotes the venture capitalists in the Alpine area and the rest of Europe to support their partnerships and investments.

THE BEST HIGH GROWTH COMPANIES

Some 40 early-stage companies active in the high technology sectors will be selected to present at the Forum by the Selection Board, who will assess them on the basis of their business potential, technology merit, competitive position, investment interest and team experience.

Presenting companies will be:

From Canton de Vaud and Switzerland
From surrounding regions (including Rhône Alpes, Franche Comté, Alsace, Baden Württemberg, Bayern, Tirol, Aosta, Piemonte, Lombardia, Trentino Alto Adige - Süd Tirol
High technological entrepreneurs focused on ICT, LifeScience and CleanTech

The Alpine High-tech Venture Forum 2018 is also promoted as part of the 2018 European Venture Contest and the top quartile (best 25%) companies are qualified for the European Venture Contest Final which will take place in December 2018.
