

COMAC MEDICAL
EXPERTS IN CLINICAL RESEARCH

Comac Medical executive team was part of the 6th edition of the Tech Tour Growth Summit in Geneva and Lausanne

Comac Medical executive team was part of the 6th edition of the Tech Tour Growth Summit in Geneva & Lausanne.

The event brought together 50+ of Europe's boldest CEOs – the entrepreneurs with the vision and drive to build game changing businesses.

"Our repeat business rate is above 70 %, because our full-service capabilities resulting in cost and process effectiveness. For over 22 years we are maintaining expertise in various therapeutic fields such as oncology, cardiology, neurology, rheumatology, and endocrinology is our key drive," said Dr. Milen Vrabovski, CEO of Comac Medical.

At Tech Tour Growth Summit our executive team discussed and presented our high-tech integrated system for collecting, managing and analyzing clinical data. The innovative vision of Comac Medical was recently acknowledged with by the President of Republic of Bulgaria Rumen Radev, who delivered the prestigious mark "Excellence in Innovation".
