

TechTour Digital Health

TECH TOUR INVITES YOU TO THE TECH TOUR DIGITAL HEALTH 2022 PROGRAMME.

Are you a startup from Europe developing tech solutions in the Digital Health field?

The Programme includes an exciting **live event on 1-2 September 2022** in sunny Braga and **online sessions** to **fine-tune your investor pitch**

deck prior to the event. Exchange contacts, secure growth, and investment by working together with peers and the most active investors, experts and leaders in the field.

Website: [Tech Tour Digital Health 2022](#)

Apply [here](#) before 29th of May!

Why join the Tech Tour Digital Health 2022 Programme:

- **Meet** the most ambitious Healthcare companies and the most active 30+ invited-only investors, corporations, clusters and advisors
- **Interact** on your opportunity and gain valuable contacts, insights, meetings and peer recognition
- **Benefit** of the onsite event sessions of an invitation-only collaborative network

What are your benefits:

- **Present** the activities and focus of your company onsite in Braga, Portugal on 1-2 September.
- **Network** freely with dynamic fellow entrepreneurs, venture capitalists, government, corporate and financial specialists.
- **Schedule** One2One meetings onsite with participating investors and companies.
- **Get visibility** on the Forum website and during all sessions.
- **Free** of charge participation if you are among the top 30 selected companies.
- **Attend and present** at Tech Tour's flagship event Future 23 and pitch in front of 1000+ investors, corporates and players active in different tech areas if you are one of the award winners of the event.

Testimonials from Past Participants:

- "A great opportunity to gain valuable feedback from key experts within Europe."
- "Good event to feel and seize the trends and opportunities in the Ecosystem."
- "Interacting with 40 digital health startups within a little more than 24 hours in a lively, up and coming entrepreneurial country is certainly worth the trip."
- "One of the best experiences for scouting startups and meeting new Business Partners across Europe. "
